PROJECTS

1. Portfolio Website:

It is a unique way to showcase your work and let others know about yourself. It's like an evergreen platform for your projects, case studies, and information about you.

Developed using HTML, CSS, JS.

<http://portfolio-webpage2345.netlify.app/>

2. YouTube Video Downloader:

It is a tool to download whole playlists or single video from YouTube and also optionally convert them to almost any format you would like. Made with Python.
